

## **Bulk Delivery Representative**

**Reports to: Liquid Delivery Manager**

### **Job summary:**

Premier Energy is currently seeking a qualified applicant to assist in the delivery of bulk lubes and DEF in the south-central Indiana delivery area. The position is based in Columbus, Indiana. This is an entry level position with the goal of long-term employment.

### **Summary of essential job functions:**

- Loading and delivering bulk lubes, lubricants and DEF to farm and commercial customers
- Operate company vehicle in a safe, efficient, and courteous manner
- Prior fuel delivery experience preferred but not required

### **Minimum requirements:**

- Commercial Driver's License (CDL) Class B with HazMat endorsement
- Ability to pass pre-employment DOT physical and drug screen
- High school diploma/GED

**Abilities required:** Must be able to work outside in varying weather/driving conditions. Some heavy lifting may be required.

**Additional information:** Interested applicants may send a resume to Mike Carson @ [mcarson@premierag.com](mailto:mcarson@premierag.com) or by postal mail to:
